

Kellyville Preschool Supporters Program 2019

Kellyville Preschool Inc. is a not for profit, community-based preschool, partially funded by the Department of Education (DoE). Our Preschool has been established for over 40 years, servicing the education needs of more than 3000 families in the Kellyville area. As a community-based service, additional funds are always required for purchasing equipment and on-going building maintenance. In order to maintain this high level of care, we need supporters like you to help us!

We invite you to be a part of our **2019 Annual Supporters Program** - a great opportunity to become involved in the life of Kellyville Preschool and our 84 families. **We ask for a one-off donation of \$200. In return we can assist you in promoting your business and raising your community profile to our local families and in turn their networks in appreciation of your support.**

A 12-Month Supporters Package for \$200 includes:

1. **Advertising within our Annual Information Handbook** - a way to show our appreciation and acknowledgement for the donations and support we receive from individuals and businesses within our local community, to be distributed to all Preschool Families
2. **Advertising in our regularly emailed newsletter** plus on **our website**
3. **Promotional advertising at the Preschool** – as a supporter, we will display a laminated A4 sign about your business at our entry fence
4. **Opportunities to participate throughout the year** by putting promotional materials in our annual fundraising show bags and in our foyer
5. **Certificate of Appreciation** – as a Supporter you will receive a Certificate of Appreciation to proudly display at your business premises.

If you are interested in joining our Supporters Program, please call Tanya Monaghan on 0401 004 778. The program closes on Monday 15th October 2018. On behalf of the children, staff and families of Kellyville Preschool I would like to thank you for considering joining our Preschool Community.

Kind regards,

Kellyville Preschool Parent Club
